Business Growth as, CEO and CTO (employments)

IBM (15 Years), Unit4MAP, XLENT 1985 - 2021

Emphasize the roles that contributed to the areas of expertise during my career. Gained critical leadership experience managing P&L and delivery teams at IBM Sweden (Consultant Manager), ensuring quality and client satisfaction in large-scale AMS. Further honed strategic insight as CEO/CTO at Unit4 Map), directly leading software development, implementing, and bridging business critical solutions with technical execution.
